- There were three primary criteria to adhere to
- Competitive Analysis: Conduct competitive media analysis to benchmark performance against industry peers. Provide insights into competitors' media strategies and market positioning.
- Collaboration: Work closely with marketing, PR, and communications teams to align media analysis with overall business objectives. Support the development and execution of media campaigns and strategies.
- Optimization: Evaluate the effectiveness of media campaigns and strategies, and suggest improvements based on performance data and insights.
- Analyzed media trends to enhance communication strategies and outreach efforts.
- Collaborated with faculty to develop targeted media campaigns aligned with school objectives.

August 2019 - September 2020

Sonrich Lanka Pvt. Ltd. - Marketing Assistant, Gampaha

- Company Overview: Sonrich is a marketing company.
- I was a marketing assistant there. We had to be in the field & search for customers to sell their product. I increased my marketing knowledge during the time period of this job. I have mentioned some stuffs we had to do there.
- First we had to prospect our customers with the details company provided.
- We summon them for our presentations at our office.
- We market the product by providing details of the product.
- Follow them up.
- Sell the product finally & continue with the process
- Developed and executed targeted marketing campaigns to increase brand awareness.
- Assisted in managing social media platforms, enhancing customer engagement and outreach.
